

WESTERN IOWA TECH COMMUNITY COLLEGE
BOARD MEETING

Date: December 9, 2024

Time: 4:00 pm

Location: WITCC Sioux City Campus

Join virtually at: <https://witcc.zoom.us/j/3695445549>

WITCC Mission

We elevate our diverse learners and strengthen our communities through inclusive and innovative **education.**

Board Members

Russell Wray, President | Tricia Sutherland, Vice President | Micah Lang | Brad Griffin | Blanca Martinez
| Linnea Fletcher | Mary Parker | Jeremy Ogle | Erin Muck

Brenda Wright, Board Secretary

Administration:

Terry Murrell, College President | Troy Jasman, VP of Finance and Administrative Services | Darin Moeller, Executive Dean of Instruction | Jackie Plendl, Dean of Human Resources | Tawnya Beermann, Dean of Students | Christina Brandon, Dean of Outreach and Information Technology | Revathi Vongsiprasom, Dean of Opportunity and Engagement | Erin Volk, Dean of Quality

Presenters:

Andrea Rohlena, Director of Marketing and Publications | Carmen Wilson, Associate Dean – Corporate College | Merlyn Kathol, Director of Financial Aid

Item	Presenter
I. Call Meeting to Order	Russ Wray
II. Roll Call of Directors	Brenda Wright
III. Consent Items	
A. The minutes of the regular Board of Directors meeting held November 11, 2024.	
B. The Financial Report for November 2024 in addendum DEC-24-1, pages 1-7.	
C. A list of General Fund bills in addendum DEC-24-2, pages 8-28. Additional bills may be presented at the Board Meeting.	
D. Application and Certificate for Payment #3 in the amount of \$690,801.05 to L&L Builders Co. for Denison Regional Academy Project in addendum DEC-24-3, pages 29-36.	
E. Terry Murrell traveling to HLC Conference, April 5-8, 2025, in Chicago, IL.	
<i>Motion needed for Consent Items</i>	

Item	Presenter
IV. Unfinished Business	
V. Adjournment <i>Needs Motion</i>	
VI. Secretary Call Meeting to Order	Brenda Wright
VII. New Business	Brenda Wright
A. Election of Officers (President and Vice President) <i>Motion Needed</i>	
B. President will Assume the Chair	
C. Election of CCFI Board Member and alternate CCFI Board Member <i>Motion Needed</i>	
VIII. Oral Communications	
IX. Written Communications	
A. Thank You – Camp High Hopes in addendum DEC 24 4, pages 37-38.	
B. Thank You – Mary Treglia in addendum DEC 24 5, page 39.	
C. Thank You – Siouxland Chamber in addendum DEC 24 6, page 40.	
D. Thank You – Cherokee Regional Hospice in addendum DEC 24 7, page 41.	
X. Consent Items	
A. The Personnel Report Regular Appointments in addendum DEC 24 8a, page 42. The Community and Continuing Education instructor list in addendum DEC 24 8b, page 43. Additional Personnel Report may be presented at the meeting. <i>Motion Needed</i>	
XI. Administrative Reports	
A. Annual Marketing Report in addendum DEC 24 9, pages 44-45.	Christina Brandon Andrea Rohlena
B. Identity Theft and Prevention Report in addendum DEC 24 10, page 46.	Troy Jasman Christina Brandon
C. NJTP Financings in addendum DEC 24 11, pages 47-50.	Troy Jasman Carmen Wilson
D. Corporate College Report in addendum DEC 24 12, pages 51-52.	Darin Moeller Carmen Wilson
E. Lease for Aviation in addendum DEC 24 13, pages 53-58. <i>Motion Needed</i>	Troy Jasman Darin Moeller
F. VFA in addendum DEC 24 14, pages 59-60.	Erin Volk
G. Last Dollar Scholarship Program Review in addendum DEC 24 15, pages 61-62.	Darin Moeller Tawnya Beermann Merlyn Kathol
H. Community Colleges for Iowa Report	Tricia Sutherland
I. President Report 1. Holiday Reception 2. WITCC In the News in addendum DEC-24-16, pages 63-74. 3. Other	Terry Murrell
XII. Unfinished Business	
A. Individual Board Member comments	

Item	Presenter
B.  December 10, 2024 – eSports – Super Smash Bros. Ultimate – 6-8 pm – A203	
C.  December 11, 2024 – eSports – Overwatch – 6-8 pm – A203	
D.  December 12, 2024 – eSports – Valorant – 7-10 pm – A203	
E.  December 14, 2024 – Men’s Basketball – vs. Kansas City Kansas Community College - 5:00 pm	
F.  December 14, 2024 – eSports – Rocket League – 6-8 pm – A203	
G.  December 18, 2024 – Men’s Basketball – vs. Ellsworth Community College - 7:30 pm	
H. Holiday Reception – December 20, 2024 – 11:00 am – 1:00 pm – Overlook Cafe	
I. December 23 – Non-Service Day	
J. Holiday Break – December 24 – January 1, 2025	
K.  January 6, 2025 – Men’s Basketball – vs. Fort Scott Community College - 7:00 pm	
L.  January 11, 2025 – Men’s Basketball – vs. Northeast Community College - 3:00 pm	
M. January 15, 2025 - Spring Semester begins	
N.  January 15, 2025 – Men’s Basketball – vs. North Iowa Area Community College - 7:30 pm

XIII. Adjournment
Motion Needed

WIT’s Vision

Unwavering commitment to the personalized success of every student, every employee, every time.

WIT’s 2024-2027 Strategy

Advance Completion - Elevate WIT’s completion to the top 4 among Iowa community colleges

Close the Gap - Close the completion gap for at-risk groups (first-time, part-time, online, racial/ethnic minorities).

Transform the Culture - Strengthen the culture of belonging for employees through increased communication, engagement, and support

Transformation

Engagement

Community

Harmony

WESTERN IOWA TECH COMMUNITY COLLEGE

BOARD MEETING MINUTES

Date: November 11, 2024

Time: 4:00 pm

Location: WITCC Sioux City Campus

Join virtually at: <https://witcc.zoom.us/j/3695445549>

Board Members

Russell Wray, President | Tricia Sutherland, Vice President | Micah Lang | Brad Griffin | Blanca Martinez (Zoom) | Linnea Fletcher | Mary Parker | Jeremy Ogle | Erin Muck (Zoom)

Brenda Wright, Board Secretary

Administration:

Terry Murrell, College President | Troy Jasman, VP of Finance and Administrative Services | Darin Moeller, Executive Dean of Instruction | Jackie Plendl, Dean of Human Resources | Tawnya Beermann, Dean of Students | Christina Brandon, Dean of Outreach and Information Technology | Revathi Vongsiprasom, Dean of Opportunity and Engagement | Erin Volk, Dean of Quality

Presenters:

Mike Tramp, Henjes, Conner & Williams, PC | Tim Dutcher, Henjes, Conner & Williams, PC | Amy Hueser, Faculty Development | Angela Sewalson, Faculty Development | Theresa Umsheid, Executive Director of the Iowa Community College Online Consortium (ICCO) | Tito Parker, Associate Dean of Students | Mike Craig, Student Activities Specialist

Item

Russ Wray called the meeting to order at 4:00 pm.

Brenda Wright took a roll call of directors.

There were no oral communications brought forward to the board.

Russ reviewed the written communications sent to the board.

- a. Thank You – Unity in Action
- b. Thank You – Siouxland Chamber of Commerce
- c. Thank You – Siouxland Women League of Voters
- d. Thank You – Growing Community Connections

Russ Wray asked if there were any questions regarding the Consent Items. There were no questions. Jeremy Ogle made motion and it was seconded by Tricia Sutherland to approve. All were in favor. Motion carried.

Mike Tramp and Tim Dutcher presented the KWIT Audit Report to the board. The audit received an unmodified opinion, which is the best opinion you can get. Linnea Fletcher made. Linnea Fletcher made a motion to accept the audit and it was seconded by Jeremy Ogle. All were in favor and motion carried.

Mike and Tim also presented the WITCC Financial Audit. This audit was also an unmodified opinion. Jeremy Ogle made a motion to accept the audit and Micah Lang seconded. All were in favor and the motion carried.

Theresa Umsheid from ICCOC reviewed the ICCOC Annual report. This is the 25th year for the consortium and there will be a celebration at the spring conference.

Darin Moeller presented the WIT SBDC Sub-Contract. This contract includes funding for the operational costs. It also includes our new SBDC person, Korey Smith. Brad Griffin made a motion to approve the contract and it was seconded by Tricia Sutherland. All were in favor and the motion carried.

Item

Erin Volk presented the Survey Results for PACE. This survey measures the employee climate survey. 270 employees completed the survey. These results will be presented to the Manager's meeting for discussion.

Jackie Plendl, Amy Hueser, Angela Sewalson presented the Staff Development Program Annual Report. They reviewed the New employee on-boarding program, Staff Development, and other training done this year.

Troy Jasman presented Change Order #2 for Denison Regional Academy. There were some issues with the ground that needed to be fixed before the foundation was set. Linnea Fletcher made a motion to approve the change order and it was seconded by Jeremy Ogle. All were in favor and the motion carried.

Tawnya Beermann introduced Tito Parker and Mike Craig to present the Student Activities and Clubs Annual Report. Tito thanked the board for allowing the funding to continue to fund the student activities. Mike wants to bring a fun and engaging environment.

Tricia Sutherland reported on the Community Colleges for Iowa Board Meeting last week. They met with all of the college presidents. There was a presentation from the Iowa Department of Education and Iowa Workforce Development.

Linnea, Blanca, and Russ all attended the ACCT Conference last month. They each talked about different sessions that they attended. Linnea and Blanca talked about a session on how to get the board more involved and having longer retreats to get to know each other better. Russ attended sessions on AI and how students can use it to help with scholarships.

Terry Murrell invited the board to the Holiday Reception next month.

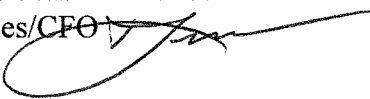

Russ asked the board members if there were any other comments to discuss. None were presented. Linnea Fletcher made a motion to adjourn. Jeremy Ogle seconded the motion. All were in favor and the motion carried. Meeting adjourned at 5:33 pm.

The next regular scheduled board meeting will be Monday, December 9, 2024, at 4:00 pm on the Sioux City campus in the Boardroom.

Russell Wray, Board President

Brenda Wright, Board Secretary

TO: Dr. Terry A. Murrell, President

FROM: Troy A. Jasman, Vice President of Finance
and Administrative Services/CFO 

DATE: December 4, 2024

RE: NOVEMBER 2024 FINANCIAL HIGHLIGHTS

Executive Summary

General Fund revenues totaled \$1.6 million for the month of November. Year to date revenues were \$1.3 million or approximately 7.6% higher than last year. At 45% of budget after five months, General Fund revenues are consistent with budget expectations and higher than that of the previous year as a percentage of budget and actual dollars. Again, this continues to be mainly due to the increase in enrollment as well as the per credit hour tuition increase, state aid increase and exclusive agreement. Year to date expenditures totaled \$15.6 million consistent with budget expectations and equal to that of the prior year as a percentage of budget. As a result, the College financial position exceeds that of the previous year with an increase in the fund balance change from the prior year of \$1.0 million.

Restricted Fund activity for the month of November included \$399K of New Jobs Training Program (NJTP) receipts for withholding and miscellaneous training receipts, \$530K of property tax receipts and \$235K for federal programs. Other activities across the various restricted funds were routine.

The only notable revenue activity for the Plant Fund for the month of November was the \$182K of additional property tax receipts and billing for the Denison Career Academy of \$500K. Expenditures as a whole increased \$165K for the month related to the Denison Career Academy project and equipment purchases.

Overall, Auxiliary Enterprise operations in November had a decrease in the fund balance change of \$458K from the prior year. Auxiliary revenues increased \$573K for the month while expenditures increased \$719K.

The College's November cash flow was strong and consistent with expectations. Receipts overall totaled \$9.4 million for the month while disbursements totaled \$11.2 million for the month. Cash and investments on a consolidated basis totaled \$42.2 million, a decrease of \$1.8 million for the month. The College's investment portfolio's overall yield at 4.14% was up from the 4.02% of the previous month.

Dear Christina and Rachelle,

Thank you for all that WITCC has done for Mary J Treglia Community House! The computers have been so helpful to our organization. The most recent computers allow our Preschool Team to all be on the same system making the requirements that we have with the State of Iowa much easier to manage. We would love to for the two of you to come for a visit to our agency, see and learn a bit more about what we do. If this is something that you would like to do, just let me know! We are truly grateful and happy that Christian is on our Board and is always looking out for us.

Warmly...Barb

Barbara Newhouse

Digital Advertising Agency

Western Iowa Tech Community College Marketing Department is seeking to advance its digital presence, optimize our digital advertising budget, and increase enrollment by implementing a comprehensive digital advertising strategy. We pursued a partnership with an agency because digital advertising has truly advanced beyond our internal capacities. We were investing a significant amount of money into our digital advertising but were unhappy with our return on investment. After a thorough review of several proposals, we entered into a partnership with Stamats based out of Cedar Rapids.

Stamats has brought a wealth of knowledge and experience to our department. They have shared tailored strategies to help us develop effective campaigns, reach our target demographics, and manage our campaigns across multiple platforms to ensure we are maximizing every dollar. In just a couple of months, we have taken swift action and have already seen improvement in several key areas.

- Revised our Google advertising campaign, optimizing our advertising dollars and improved our ad performance. We're off to a great start with a 51% share of impressions (typical market share for higher ed is 30% and an average click-through rate of 12% (exceeds the industry average of 3%!))
- Optimized our Google ads by designing, writing, and developing 12 landing pages for each specific Google ad campaign to maintain a positive user experience and customer journey.
- Developed advertising strategy for Aviation Maintenance. Campaign will launch in January.
- Developed an awareness campaign and ad creative. Campaign will launch in Spring.

We look forward to our continued partnership and reporting more on our positive outcomes.

Branding

Last September, Western Iowa Tech revealed its new logo and college colors to the public with a celebration that included employees, students, board members, and community members. Our logo and brand evolved from market research collected over the course of 18 months. Over 100 students, employees, alumni, donors, board members, and business partners were interviewed regarding their thoughts and perceptions on Western Iowa Tech. It gave us a deep understanding of the College's value, core promise, competitive differentiators, and brand messages:

- Western Iowa Tech focuses on elevating learners.
- We help students improve their lives through learning and affordable education in a supportive, inclusive community.
- We engage learners through technology, real-world experiences and quality instruction.
- Our learners remain at the center of everything we do, and by helping them we help build strong communities.

Although the initial launch is behind us, our work is just beginning. Rebranding is important work and brands that are successful require long-term focus, commitment, and dedication. This next year we are focused on:

- Incorporating our brand messaging into our advertising, publications, and college narrative.

- Replacing the former logo with the new logo, mostly on signage and miscellaneous items at the college.
- Educating and sharing the brand throughout the college, so that each and every employee owns and champions the brand just as much as the marketing department.

Some of newly branded items were recognized by the National Council for Public Relations and Marketing. Our 2023 annual report and our branded recruitment wall both received a Gold Medallion at the NCMPR regional conference in St. Paul.

Print Shop Update

This year the print shop updated its large format printer, replaced a model that was ten years old and was starting to have mechanical problems. Russell is busy accommodating print requests. He has experienced a 5% increase in printing requests compared to last year at this time.

Lifelong Learning Update

As of now, we have 482 Lifelong Learning members. Membership continues to grow as current members share their enthusiasm with family and friends. We are expanding our offerings through collaborations with the Connections Area Agency on Aging in Sioux City, ISU Extension and Outreach Woodbury County Office, and staff and faculty from WITCC. Our Lifelong Learners have been active in the region, participating in exciting trips to the National Music Museum in Vermillion, the Iowa State Fair, the Black Hills for the Buffalo Roundup, a Fall Mystery trip to Ashfall Fossil Beds State Park in Nebraska, and most recently, a visit to the Sanford Museum and Planetarium in Cherokee. These excursions have fostered friendships and enhanced community engagement among our members.

Future Plans

This upcoming year we will continue to focus on our improving our digital advertising strategy, rolling out the brand, creating a new commercial, and revising our website content for optimal readability.

RE: Identity Theft Prevention Report

Western Iowa Tech Community College established Board Policy 707.5, Identity Theft Prevention to help detect, prevent, and mitigate loss due to identity theft. The Board Policy stipulates that the College will report annually to the Board. The College continues to provide training, education, and implement strategies to assist with the prevention and detection of potential identity theft. The highlighted points below are a summary of these efforts.

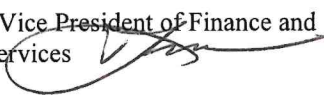

- All employees received a series of emails during Cybersecurity month in October on maintaining personal information and security.
- There were changes made to various printouts and reports eliminated identifying information and files where upgraded with encryption.
- Many paper documents have been eliminated and are stored electronically.
- Workflow/Self-Service allows employees to update sensitive information electronically.
- Network files are scanned for social security and credit card information. This information is then removed from electronic files.
- Remote access is limited to College provided devices and requires multi-factor authentication to access the system as well as endpoint detection.
- Multi-factor authentication is required for all employees and students for our LMS system and for email.
- All switches and servers were updated to the newest models and software ensuring security updates.
- Campus Safety door locks and cameras were upgraded to accommodate the latest security updates.
- The request for access to data has been strengthened and longer passwords are required to provide greater security.
- College emails contain an external banner label to let employees know whether the email is from an outside sender. Upgraded licensing for students and staff allows for all attachments and links to be scanned for authenticity.
- Our security partner works with the College to identify any potential issues as well as perform system intrusion testing.

To date, the College is not aware of any incidents of identity theft or compromises to our system.

RE: **STATUS REPORT - NJTP FINANCINGS**

Beginning in 1985, Western Iowa Tech Community College has been involved with the issuance of bonds for the New Jobs Training Program (NJTP). Since the inception, the College has issued bonds totaling \$77.2 million of which over \$62.4 million has been retired or paid in full. Each bond issuance has been for the maximum time period of 10 years. Typically, the College will package the issuance of training bonds for multiple companies in one issue. By doing so, the College has the benefit of the other companies within that issue to help offset the individual actual experience of any one company within the issue. WITCC has always been diligent in working with companies and has always been able to pay off the bonds so the College has never had to have the Board authorize the utilization of the standby levy in order to pay off bondholders. The College continues to monitor the bond issues to determine if any bonds can be called early.

Attached you will find summary financial schedules outlining the status of each active New Jobs Training Program (NJTP) initiative by company/issue. These schedules identify actual variances in withholdings from those originally projected at the time of issuance and the current balance of the debt service reserves. This provides you with an annual update using the same format as presented in previous years.

The highlights are as follows:

- All issues currently have debt service reserve balances, as indicated, which reflect retainage from issuance and accumulated withholdings in excess of debt-service requirements to date. Because of this, the College does not have any concerns at this time about any NJTP issue.
- In aggregate, the College's reserves total \$17.3 million that is invested through Wells Fargo and Security National Bank.
- Actual experience of specific companies (or multiple) may vary from projections at issuance as indicated in the first column, this may be the result of a variety of factors which may or may not impact debt service. Management of the debt reserve balances remains critical to successful defeasance of each obligation.

Also attached is a copy of the current "Withholding Payment Status Report" which provides management with a status report of company/issue withholding payments.

RE: Corporate College Report

Corporate College has the opportunity to touch businesses and provide training that is efficient, effective, flexible, customizable and provided by business/field related experts. Corporate College offers training in the following areas: Business Solutions, Industrial Solutions, Safety Solutions, Trades & Apprenticeships, Transportation, as well assistance to Small Businesses (SBDC) and business funding options including 260E, 260F and 260G.

Corporate College had a very busy and successful FY/24 year, which closed with the highest net revenue since we started tracking in FY/11.

	FY24	FY23	FY22	FY21	FY20	FY19

*Internal realignment of credit programs accounts for the decrease from FY20-FY21 in credit students.

Corporate College was able to provide training to 41 new businesses and had 807 business partnerships opportunities with 271 unique businesses.

WITCC was awarded a Susan Harwood grant in October of 2024 for \$ 145,800.00 to train 300 at-risk workers before September 30, 2025. The grant focuses training industries with significant hazards and high fatality rates, particularly those in manufacturing, agricultural, and food processing industries. WITCC's concentration is to train at-risk workers on confined spaces and rope rescue safety training program to increase their awareness, knowledge, and safety outcomes. This is the 17th award WITCC has received since 2006 totaling \$ 2,382,289.00 and reaching over 3,290.

WITCC was awarded an Iowa CDL (Commercial Driver's License) Infrastructure grant in November of 2023 to be completed in June 2025. The \$ 292,752.00 grant was awarded to develop and expand the Cherokee WITCC campus to accommodate CDL testing, training and assessments. The parking lot renovations have been completed and we currently offer CDL assessments and testing in Cherokee.

August of 2024, WITCC was awarded a two-year CMVOST (Commercial Motor Vehicle Operator Safety Training) grant issued by the Federal Motor Carrier Safety Administration. The grant focus is to provide training to veterans including their immediate family, retiring/returning military members, underserved populations and refugees. The grant will provide CDL training at no-cost to 60 qualified recipients.

We want to recognize all the staff in our Corporate College who listen to business needs and work directly with businesses to develop customized training opportunities. Our training staff has developed highly effective training programs which range from a few hours of training, to several weeks of training and can be highly customized to meet the needs of the customer. We look forward to another successful year.

RE: **ORACLE AVIATION, LLC – AVIATION LEASE**

Attached is the lease agreement with Oracle Aviation, LLC and Western Iowa Tech Community College for hangar, classroom and office space for our new aviation maintenance program. This space is located on the airport property in Sioux City, Iowa. The College has looked at a couple sites for this program and believes that this space will best serve the needs of the program and will be the most cost effective in terms of preparing the site. The College will need to do some renovations of the space to establish a suitable classroom as well as some other minor cosmetic updates. The hangar space is ready for our program and can be used as is. The College will need to have the space renovations done in time for the Federal Aviation Administration (FAA) to visit the site prior to the program starting. The College will pay a monthly lease of \$3,200.00 and share 50% of the utility costs. This lease is for five years with an extension negotiable upon completion. The lease would begin January 1, 2025. The Ahlers Law Firm has reviewed this lease agreement.

Recommendation:

It is the administrative recommendation that the lease with Oracle Aviation, LLC for hangar, classroom and office space be approved for the new aviation maintenance program.

**LEASE AGREEMENT BETWEEN
ORACLE AVIATION, LLC AND WESTERN IOWA TECH COMMUNITY COLLEGE**

THIS AGREEMENT, made and entered into this 1st day of January, 2025 by and between Oracle Aviation, LLC ("Landlord") whose address for the purpose of this Lease is 6125 Pershing Drive, Sioux City, Iowa 51111 and Western Iowa Tech College, Inc. ("Tenant") whose address for the purpose of this Lease is 4647 Stone Avenue, Sioux City, Iowa 51106.

The Parties agree as follows:

PREMISES AND TERM. Landlord leases to Tenant the following real estate situated in Woodbury County, Iowa, Brig. Gen. Bud Day Field, to wit:

The southern half of the hangar facility and classroom and office space located at 6125 Pershing Drive, Sioux City, IA 51111 which amounts to approximately 6,800 square feet.

This agreement will remain in place for a five-year term, with extension negotiable upon completion.

RENTAL. Tenant agrees to pay Landlord as rent \$3,200 per month, in advance commencing on the 1st day of January 2025 and on the 1st day of each month thereafter during the term of the lease.

Rental rates will increase by CPI, up to a maximum of 3% per year on January 1st of each subsequent year, the first increase beginning January 1st, 2026.

All sums shall be paid at the address of Landlord, or at such other place as Landlord may designate in writing. Payments not made within ten (10) days after Tenant receives written notice of delinquency from Landlord shall draw interest at 12% per annum.

POSSESSION. Tenant shall be entitled to possession on the first day of the term and shall yield possession to landlord at the termination of this Lease. Should Landlord be unable to give possession on said date, Tenant's only damages shall be a pro-rata rental abatement of rent. Notwithstanding the foregoing, if Landlord does not deliver possession of the Premises to Tenant by February 1st, 2025, then the Tenant may terminate this Lease by written notice to Landlord.

USE. Tenant or sub-tenants shall use the premises for delivery of educational programming and other purposes reasonably related thereto.

CARE AND MAINTENANCE.

(1) Tenant takes the premises as is, except as herein provided. Notwithstanding the foregoing, Landlord represents, warrants, and covenants to Tenant that: (a) there are no defects in the state of title to the Premises that inhibit or may inhibit the use of the Premises by Tenant; (b) the Tenant's proposed use of the Premises is in compliance with and does not conflict with any laws or the certificate of occupancy for the Premises; (c) the existing improvements that comprise the Premises are sufficient and in compliance with all laws for Tenant's permitted use; (d) the structural portions of the Premises are in good condition and working order, and are in compliance with all applicable laws including, but not limited to, the Americans with Disabilities

Act; (e) the Premises are properly zoned for the Tenant's proposed use of the Premises; (f) the Premises complies with local laws relating to loading and parking requirements; and (g) the Landlord has completed all improvements to the Premises in a good and workmanlike manner and in compliance with all applicable laws and delivered to Tenant in good condition and working order.

(2) Landlord shall keep the following in good repair and working condition: roof, exterior walls, foundation, exterior windows, electrical, plumbing, heating, ventilation, air conditioning, and doors. If Landlord fails to do so within fifteen (15) days after written notice from Tenant, Tenant may make said repairs and may offset the costs thereof against Rent then due or owed by Tenant in the future pursuant to this Lease.

(3) Tenant shall maintain the premises in a reasonable safe, serviceable, clean and presentable condition, and except for the repairs and replacements provided to be made by Landlord in subparagraph (2) above, shall make all repairs, replacements and improvements to the premises; including all changes, alterations or additions ordered by any lawfully constituted government authority directly related to Tenant's use of the premises. Tenant shall make no structural changes or alterations without the prior written consent of Landlord.

UTILITIES AND SERVICES. Landlord shall provide and pay for all utilities reasonably necessary for Tenant's use of the Premises, including water, gas, sewer, electric, trash, and internet service. Tenant shall pay for fifty percent (50%) of utilities and services which may be used on the premises. Landlord will bill Tenant monthly, in arrears, with documentation showing the amount of utilities billed to, and paid by, Landlord. Landlord shall not be liable for damages for failure of utilities, or for any stoppage of utilities for needed repairs or for improvements to utilities arising from causes beyond the control of Landlord, provided Landlord uses reasonable diligence to resume such services.

SURRENDER. Upon the termination of this Lease, Tenant will surrender the premises to Landlord in good and clean condition, except for ordinary wear and tear or damage without fault or liability of Tenant. Continued possession, beyond the term of this Lease and the acceptance of rent by Landlord shall constitute a month-to-month extension of this Lease.

ASSIGNMENT AND SUBLETTING. No assignment or subletting, either voluntary or by operation of law, shall be effective without the prior written consent of Landlord, which consent shall not unreasonably be withheld, conditioned, or delayed.

INSURANCE.

(1) **PROPERTY INSURANCE.** Landlord and Tenant agree to insure their respective real and personal property for the full insurable value. Such insurance shall cover losses included in the Insurance Services Office Broad Form Causes of Loss (formerly fire and extended coverage). To the extent permitted by their policies the landlord and Tenant waive all rights of recovery against each other for damage to insured personal property.

(2) **LIABILITY INSURANCE.** Tenant shall obtain commercial general liability insurance in the amount of \$1,000,000.00 combined single limit and \$1,000,000.00 annual aggregate per location. This policy shall be endorsed to include the Landlord as an additional insured.

LIABILITY FOR DAMAGE. Each party shall be liable to the other for all damage to the property of the other negligently, recklessly or intentionally caused by that party (or their agents,

employees or invitees), except to the extent the loss is insured and subrogated is waived under the owner's policy.

TENANT INDEMNITY. Only to the extent permitted by law, Tenant will indemnify Landlord from and against any final judgment against Landlord arising directly from an act or omission of Tenant occurring within the Premises.

LANDLORD INDEMNITY. Landlord shall indemnify Tenant against any liability arising out of or related to (i) Landlord's act or omission or (ii) Landlord's breach of this Lease.

DAMAGE. In the event of damage to the premises, so that Tenant is unable to conduct business on the premises, this Lease may be terminated at the option of either party. Such termination shall be affected by notice of one party to the other within twenty days after such notice, and both parties shall thereafter be released from all future obligations hereunder. If neither party elects to terminate the Lease, Landlord shall promptly restore the Premises and Tenant's access thereto. Rent shall abate for any period the Premises are not available to the Tenant due to damage.

MECHANICS' LIEN. Neither Tenant, nor anyone claiming by, through, or under Tenant, shall have the right to file any mechanic's lien against the premises. Tenant shall give notice in advance to all contractors and subcontractors who may furnish, or agree to furnish, any material, service or labor for any improvement on the premises.

DEFAULT, NOTICE OF DEFAULT AND REMEDIES

(1) **EVENTS OF DEFAULT.** Each of the following shall constitute an event of default by Tenant: (1) Failure to pay rent within ten (10) days after receipt of a delinquency notice from Landlord; (2) failure to observe or perform any duties, obligations, agreements or conditions imposed on Tenant pursuant to the terms of the Lease within thirty (30) days following written notice from Landlord specifying the default; (3) institution of voluntary bankruptcy proceedings by Tenant, institution of involuntary bankruptcy proceedings in which the Tenant thereafter is adjudged a bankruptcy; assignment for the benefit of creditors of the interest of Tenant under this Lease agreement, appointment of a receiver for the property or affairs of Tenant, where the receivership is not vacated within ten (10) days after the appointment of the receiver.

(2) **REMEDIES.** In the event Tenant has not remedied a default in a timely manner following a Notice of Default, Landlord's sole and exclusive remedy shall be to terminate this Lease by a written notice of such termination to Tenant. In the event of termination of this Lease, Landlord shall be entitled to prove claim for and obtain judgment against Tenant for the balance of the rent agreed to be paid for the term herein provided, plus the reasonable expenses of Landlord in regaining possession of the premises, plus the reasonable costs Landlord incurred in reletting the Premises, less the fair market value rent of the Premises for the remainder of the Lease.

LANDLORD DEFAULT. Notwithstanding anything to the contrary set forth in this Lease, Landlord shall be in default in the performance of any obligation required to be performed by Landlord pursuant to this Lease if Landlord fails to perform such obligation within ten (10) calendar days after the receipt of notice from Tenant specifying in detail Landlord's failure to perform. Upon any such default by Landlord under this Lease, Tenant may exercise any of its rights provided at law or in equity. Tenant shall further have the right to cure such default and, if such default involves the

expenditure of money, Tenant shall have the right to deduct the cost thereof together with an administrative fee of ten percent (10%) from the Rent due or accruing hereunder. If Tenant is the prevailing party in any action arising out of this Lease, Tenant shall be entitled to recover its reasonable attorney's fees and costs from Landlord.

COVENANT OF QUIET ENJOYMENT. Landlord covenants and warrants that it has full authority to execute this Lease, and further agrees that, on performance of all covenants, terms, conditions and obligations required of Tenant under this Lease, Landlord shall have, hold and enjoy the Premises during the term of this Lease.

NOTICES AND DEMANDS. All notices shall be given to the parties hereto at the addresses designated unless either party notifies the other, in writing, of a different address. Without prejudice to any other method of notifying a party in writing or making a demand or other communication, such notice shall be considered given under the terms of this Lease when it is deposited in the U.S. Mail, registered or certified, properly addressed, return receipt requested, and postage prepaid.

PROVISIONS BINDING. Each and every covenant and agreement herein contained shall extend to and be binding upon the respective successors, heirs, administrators, executors and assigns of the parties hereto.

FAA MANDATED PROVISIONS. This Lease is for property located on Sioux Gateway Airport and the following conditions shall apply:

(1) This Lease shall not be binding upon either party until approved by the Federal Aviation Agency.

(2) The Tenant for himself, his heirs, personal representatives, successors in interest and assigns, as part of the consideration hereof, does hereby covenant and agree as a covenant running with the land that in the event facilities are constructed, maintained or otherwise operated on the said property described in this Lease for a purpose which a Department of Transportation program or activities extended of for another purpose involving the provision of similar services or benefits. Tenant shall maintain and operate such facilities and services in compliance with all of the requirements imposed pursuant to 49 CFR, part 21, Nondiscrimination in Federally Assisted Programs of the Department of Transportation and as said regulations may be amended.

(3) The Tenant for himself, his personal representatives, successors in interest, and assigns, as a part of the consideration hereof, does hereby covenant and agree as a covenant running with the land that: (1) no person on the grounds of race, color or national origin shall be excluded from participation in, denied the benefits of, or be otherwise subjected to this discrimination in uses of said facilities, (2) that in the construction of any improvements on, over, or under such land in the furnishing of services thereon, no person on the grounds of race, color, or national origin shall be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination, (3) that the Tenant shall use the premises in compliance with all of the requirements of host buyer pursuant to 49 CFR, part 21, Nondiscrimination in Federally Assisted Programs of the Department of Transportation, and as said regulations may be amended.

(4) The Tenant assures that it will undertake in an affirmative action program as required by 14 CFR, Part 152, Subpart E, to ensure that no persons shall, on the grounds of race, creed, color, national origin, or sex, be excluded from participating in any employment activities covered in 14 CFR, Part 152, Subpart E. The Tenant assures that no persons shall be excluded on the

grounds from participating in or receiving the services of benefits of any program or activity covered by this Subpart. The Tenant assures that it will require that its covered suborganizations provided assurances to the Tenant that they similarly will undertake affirmative action programs and that they will require assurance from their suborganization, as required by 14 CFR, Part 152, Subpart E, to the same effect.

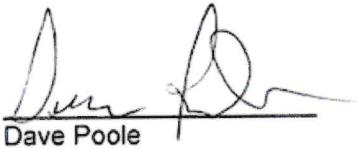

(5) The City reserves the right to take such action as the United States Government may direct to enforce this covenant.

(6) In the event the United States Government or any of its agencies shall occupy the Airport or any substantial part hereof to such an extent as to materially interfere with the Tenant's operations or in the event of destruction by fire or other cause of all or a material portion on the Airport, or Airport facilities, or if the Tenant's operations shall for any reason similar or dissimilar, be materially interfered with for a period in excess of fifteen (15) days, then, and in any of these events, Tenant shall have the right upon written notice to terminate this Agreement and Tenant's further obligations hereunder or, at its option, to suspend this Agreement for the period of such disability, in which case the minimum guarantee payment shall not be paid or payable from the effective day of such notice until normal operations shall have been restored unless City shall return to Tenant a just proportion of any minimum guarantee payment which may have been made in advance for a month or portion thereof which falls within the period of disability.

DATE: November 25, 2024
SUBJECT: Voluntary Framework of Accountability 2024

The Voluntary Framework of Accountability (VFA) system of community college success metrics provides Western Iowa Tech Community College the opportunity to:

- (1) consistently measure and monitor internal progress,
- (2) benchmark with in-state and national peers to evaluate WITCC's relative performance, and
- (3) observe outcome trends over time.

The attached report contains a compilation of three years of College data and comparisons to all VFA participating colleges, Iowa community colleges, and selected peer institutions. Ten peer institutions were identified with characteristics similar to WITCC, with respect to student population size, percentage of part-time students, and the student population's race and ethnicity.

Using a scorecard approach, we evaluated the College's progress in 2021 compared to prior years and examined outcomes relative to peers. WIT has demonstrated overall progress and improvement this year across nine measures, performed consistently well in an additional three measures, and has flagged two areas of concern. Over 41% of the WIT cohort had earned a credential in two years; Iowa peers trailed by 10% and national peers by over 20% (item f). Gains were made in transfer as well, with WIT at 18%, up 9% from the prior year (item g). The College also continues to excel in terms of awarding Certificates (items k and l), exceeding state and national peers by at least 3-fold. Furthermore, it appears that the concerted efforts to more fully support transfer are leading to more successful outcomes. We look forward to continued growth in this category.

WIT's experience with the Voluntary Framework of Accountability has been informative and fruitful; however, the system will be discontinued in 2025. The College is working to identify the next tool to support and benchmark our strategic measurements.

2024 VFA Summary Results

Western Iowa Tech Community College

1. Two-year Progress

Main Cohort, Fall 2021

	WITCC Fall 2019	WITCC Fall 2020	WITCC Fall 2021	WITCC +/-	Peer +/-	Peer Colleges* (n= 10)	All Iowa (n=14)	All VFA (n= 93)
a. No Success in First Term	15.5%	18.7%	17.4%			17.7%	14.7%	19.4%
b. Fall to Spring Retention	71.1%	71.7%	71.6%			72.3%	77.4%	70.1%

SUBJECT: Future Ready Iowa Last-Dollar Scholarship Annual Update

Western Iowa Tech Community College effectively leverages state-supported workforce funding opportunities to address critical workforce needs in our communities. Iowa's Last-Dollar Scholarship provides much needed support for many WITCC learners by decreasing or eliminating college loan debt.

HISTORY & BACKGROUND:

The Future Ready Iowa Last-Dollar Scholarship (Iowa Free Tuition scholarship) was created in 2018, part of the Future Ready Iowa Act. This scholarship provides covers the cost of any remaining tuition and qualified fees, after federal and state grants/scholarships are applied for qualifying Iowa students. The scholarship is only available for designated CTE (Career & Technical Education) programs, with the goal of eliminating skilled worker shortages in high demand careers in our region. Recipients are enrolled in postsecondary certificates, diplomas and associate degrees. The program is open to community colleges and accredited private colleges offering qualified CTE programs, paired with support services such as academic and career advising. Students are automatically considered by completing a FAFSA prior to the established annual deadline.

THE PROGRAM CONTINUES TO EVOLVE:

2019-2020- Due to the late roll-out of the program (August), scholarships were applied directly to eligible student accounts. **406** WITCC students received a very welcome funding surprise.

2020-2023 College's shared feedback and lobbied for adjustments that would more accurately align the program with student needs, while avoiding disqualification for deserving students.

- HS students initially required to enroll full-time
- Dropping a course could cause disqualification

2023-2024 Income Guideline Established: The state of Iowa implemented income eligibility guidelines, negatively impacting our low to middle income learners, with a larger number taking on student loan debt. Recipient numbers dropped by 18% that year, while LDS Funding awarded to WITCC students dropped by 41%.

2024-2025– The implementation of the income guideline resulted in excess state funds in 2024 Fall. The state changed course, extending the FAFSA deadline, directing colleges to add awards after the start of the Fall term.

WITCC’S EXPERIENCE:

- Overall, this program is a positive for WITCC and our students.
- Last-Dollar scholarship draws students in our region to WITCC to pursue high demand career fields.
- Eligible students are taking on less debt to pursue CTE programs, especially those with requiring tools.
- Marketing and recruitment can be tricky with changes to eligibility requirements, timelines, etc.
- The continuous enrollment requirement decreases stop-outs; students stay on the 1-2 year timeline.
- Perception of the true financial benefit is not always clear for prospective students (\$250 award vs full tuition award)- sometimes resulting in a small financial benefit driving their career choice.
- The program can be counter intuitive, with programs such as Early Childhood Education not being eligible due to lower wages. Students pursuing these high demand career fields answer community need while shouldering more debt.

Academic Year	WITCC Students Served	WITCC Annual LDS Scholarship Totals
2019-2020	406	\$699,500
2020-2021	632	\$1,372,921
2021-2022	604	\$1,365,711
2022-2023	659	\$1,536,861
2023-2024	566	\$980,992
TOTAL		\$5,955,985

2024-2025 ELIGIBLE PROGRAMS:

No changes from our current year outside of the new Aviation Maintenance Technology program being eligible as one of the State approved programs. The Board’s previously approved regional programs include Culinary Arts, Agribusiness Technology, Medical Assistant, Auto Technology and Auto Collision. No changes to these programs are recommended.

Five years ago, Eric Divis was a North High ProStart culinary student. Now he's the state's mentor of the year

SIOUX CITY — Chef Eric Divis is an admitted fan of fine dining, even if it takes more time and effort.

That is probably why he chose a menu that consisted of a cornbread-stuffed pork tenderloin, glazed Heirloom carrots, a made-from-scratch butternut squash soup topped with Gruyere cheese croutons as well as Michelin-starred Chef Joël Robuchon's recipe for mashed potatoes, which is thought to be the best in the world.

"All I know is (Robuchon's recipe) calls for a ton of butter," Divis said with a laugh. "May not be the healthiest dish but it sure does taste good."

By the way, Divis, banquet sous chef for the South Sioux City Marriott Riverfront Marriott and Kahill's, isn't preparing this sumptuous meal for some fancy party.

Instead, the 2019 North High School graduate is making the French-inspired dishes as lunch for around 50 North teachers, faculty and administrative members.

DEC 24 16

A partnership between the Iowa Restaurant Association and the National Restaurant Association Educational Foundation, ProStart gives culinary and/or business-minded students the skills needed to make it in the food service industry.

Divis was one of the program's earliest success stories at North.

"Eric was a student of mine when I first started ProStart at North," culinary arts instructor Kelsey Miller said. "I knew Eric wanted to be a chef and he takes his food very seriously."

It was actually through one of Miller's ProStart field trips that Divis secured his job at Kahill's while still in high school.

"Kahill's executive chef was a friend of mine and he asked if I had any students who wanted to be part of his kitchen staff," Miller remembered. "I immediately thought of Eric, who's been there ever since and has worked his way up the ranks to become one of their top chefs."

"I couldn't have done it without Kelsey," Divis said. "She gave me the foundation I needed to make it in the restaurant field."

ProStart agrees. They've chosen Miller to be their Iowa teacher of the year and have selected Divis to be their mentor of the year.

Both Miller and Divis will be honored during a special ceremonies taking place in Des Moines later this month.

"Whenever I ask Eric, he's always more than happy to speak to my class," Miller said. "My students love it because Eric's story is aspirational. It wasn't that long ago when he was struggling with knife skills in a ProStart class."

ProStart student Vanessa Meyer wouldn't mind getting some chopping tips-of-the-trade from Miller.

"I don't like chopping onions, even though we go through a lot of onions in this class," she allowed.

Meyer prefers baking over cooking. That is despite her having a dad who wins barbecue competitions and a mom who makes first-class food without needing a recipe.

"My mom just knows what ingredients go well together," she said. "My mom's amazing like that."

Eric Divis, a banquet sous chef at South Sioux City's Riverfront Marriott Hotel and Kahill's, removed a pan of cornbread-stuffed pork tenderloin from an oven inside of a North High School classroom. Divis, who learned how to cook through the school's ProStart program, often returns to mentor current students who are interested in fine dining.

We don't know if Legend Campbell needed recipes but the ProStart student certainly knew a lot about carrots.

"Carrots come come in different colors like white, yellow or purple," he said, while prepping a tray filled with some of the Heirloom veggies. "Orange is, by far, the most popular color for carrots because they are more aesthetically pleasing."

Do different colored carrots have a different taste?

"No," Campbell explained. "Pretty much any type of carrot will end up tasting like a carrot."

Soon, Noah Moreno will need to have an encyclopedic knowledge of ingredients. After all, the ProStart student has expressed interest in becoming a professional chef.

"When I started ProStart classes, I didn't know if cooking was right for me," he said. "Thanks to Mrs. Miller, I know this is what I want to do for the rest of my life."

Already, Moreno said his favorite thing to make is a comforting and flavorful alfredo sauce.

So, what is his favorite thing to eat?

"That's a question you should never ask," Moreno said. "We'd be here all day if I had to name all of the foods I love eating."

CAREER ACADEMY: Cherokee students can still participate

Continued from page one

grams; we're going to hire all these different instructors,' so it is an option for us to pull together in a kind of consortium."

He added that NCC was applying for a grant with the state and was looking to demonstrate area school support. "When I say this is in the infancy stage, it is. They have not secured a grant; they have not secured any funds whatsoever," he explained.

Ryherd also indicated that he had spoken with those involved with the Sioux Center

Career Academy to gauge their experience with launching this type of program. "It takes a while to get rolling," he said.

The board also noted the existing partnership with Western Iowa Tech Community College, which, while not offering welding or engineering/design programs, provides other educational opportunities. High School Principal Matt Malausky noted in his administrative report earlier in the meeting that in the Iowa Department of Education School Performance rating, Cherokee Washington High School is at 82% for college credit, while the state average is 68.9%. Additionally, the school has 64.18% for work-based learning, while the state average is 25.47%.

At a motion by Jared Barkley, seconded by Ray E. Mullins II, the board declined to sign the memorandum of understanding.

It's important to note that while the school board has declined the current proposal, this does not necessarily preclude Cherokee students from participating in this career academy program in the future. Ryherd explained, "I feel that down the road we would have an opportunity to send kids. Would it look different since we weren't part of the initial process? It could. Will there be a cost associated with that? More than likely. Are they going to treat us fairly? Yeah, they're not going to try to get rich off of a district. They understand where schools are coming from."

Cherokee School Board dismisses NCC Career Academy proposal

BY ERIN RYDGREN

The Cherokee School Board has declined a proposal from Northwest Iowa Community College to establish a joint Career Academy in Marcus. The proposed academy aimed to offer specialized career pathway programs, including education, welding, healthcare, and engineering design. This would have provided new educational opportunities for Cherokee students.

NCC has stated previously that these career pathways were chosen based on the demonstrated need for more employees with these kinds of skills in northwest Iowa.

The memorandum of understanding presented to the board required Cherokee to register students in NCC's College and Career Academy. This could have led to financial commitments even if the minimum number of students did not enroll. Additionally, the partnership would have lasted for 10 years.

The board expressed concerns about the potential financial implications and the length of the agreement. Superintendent Thomas Ryherd, who had continued to research this MoU after it was tabled last month, stated, "These are something that are set up in a rural area, which we are, to provide more opportunities for rural districts. This is a chance or an opportunity for these smaller schools who couldn't go through and say, 'Oh, we're going to offer all these pro-

WIT nursing students lead Holiday Cheer Initiative

Members of the WITCC Nursing Club students are seeking donations of items to fill holiday stockings for 190 nursing home residents in Cherokee County.

SUGGESTED DONATIONS:

- Hygiene items
- Body lotion
- Hand sanitizer
- Fuzzy socks or slippers
- Books
- Small notebooks, word search/crosswords/games
- Pens
- Small lap blankets
- Candy
- Small packs of tissues
- Cards

All donations will be collected Dec. 2.

Erin Rydgren | Cherokee Chronicle Times

A group of dedicated nursing students from Western Iowa Tech Community College is looking to spread holiday cheer across Cherokee County. The WITCC Nursing Club students have embarked on a significant service project to bring joy to the 190 residents of local nursing homes.

The initiative involves filling 190 stockings with festive gifts and goodies. While a list of suggested items has been provided, Nursing Club President Amber Nelson emphasizes that any act of kindness, no matter how small, will be deeply appreciated.

“Honestly, these residents would love anything!” Nelson said. “The excitement we see in their eyes by just sitting down and talking with them at clinical is what inspires us to continue this nursing journey.”

In addition to physical donations, monetary contributions are also being accepted. These funds will be used to purchase additional items to fill the stockings. Donation boxes are conveniently located throughout the community, including the WITCC campus, Cherokee State Bank, North Star Community Credit Union, Central Bank,

Fareway, 59 Grind, Boheme Nutrition, Farmer’s Savings Bank in Marcus, Jeff’s Foods and CRC Clinic in Marcus.

The nursing students want to express their gratitude to the local nursing homes for providing invaluable hands-on experience through clinical hours and preceptorships. This holiday project is their way of giving back to the residents who have made a lasting impact on their lives, but they need the community’s help to reach their goal.

For more information or ways to help, reach out to nursing instructor Stephanie Hill via email at Stephanie.Hill@witcc.edu or call 712-317-3388.
