For more information about Student Activities on Campus, check out the Campus Calendar <a href="#">here</a>	
<b>IX. Adjournment</b> <i>Motion Needed</i>	

## WIT's Vision

*Unwavering commitment to the personalized success of every student, every employee, every time.*

## WIT's 2024-2027 Strategy

**Advance Completion** - Elevate WIT's completion to the top 4 among Iowa community colleges

**Close the Gap** - Close the completion gap for at-risk groups (first-time, part-time, online, racial/ethnic minorities).

**Transform the Culture** - Strengthen the culture of belonging for employees through increased communication, engagement, and support

**T**ransformation

**E**ngagement

**C**ommunity

**H**armony

WESTERN IOWA **TECH** VALUES

**WESTERN IOWA TECH COMMUNITY COLLEGE**  
**BOARD MEETING**

**Date:** January 12, 2026

**Time:** 4:00 pm

**Location:** WITCC Sioux City Campus, Boardroom A507

**WITCC Mission**

We elevate our diverse learners and strengthen our communities through inclusive and innovative education.

**Board Members**

**Linnea Fletcher, President | Tricia Sutherland, Vice President | Justin Daale | Hanna Reinders | Jeremy Ogle | Erin Muck | Russell Wray**

Absent: Mary Parker | Brad Griffin

Brenda Wright, Board Secretary

**Administration:**

Terry Murrell, College President | Troy Jasman, VP of Finance and Administrative Services | Erin Volk, Vice President of Learning | Frank Arpan, Vice President of Student Success | Darin Moeller, Executive Dean of Instruction | Jackie Plendl, Dean of Human Resources | Tawnya Beermann, Dean of Students | Christina Brandon, Dean of Outreach and Information Technology | Revathi Vongsiprasom, Dean of Opportunity and Engagement

**Presenters:**

Sima Dabir, Associate Dean of Instruction, Arts & Sciences | Jessica Huggenberger, Interim Marketing Coordinator | Carmen Wilson, Associate Dean of Corporate College

Item	Presenter
<b>Call Meeting to Order at 4:00 pm by Linnea Fletcher</b>	
<b>Roll call was taken by Brenda Wright</b>	
<b>No Oral Communications were brought forward.</b>	
<b>Linnea Fletcher reviewed the Written Communications from Rosecrance.</b>	
<b>I. Consent Items</b>	
A. The minutes of the regular Board of Directors meeting held December 8, 2025	
B. The Financial Report for December 2025 in addendum JAN 25 2, pages 2-8.	
C. A list of General Fund bills in addendum JAN 26 3, pages 9-25. Additional bills may be presented at the Board Meeting.	
D. The Personnel Report Regular Appointments in addendum JAN-26-4a, page 26. The Temporary Employee list in addendum JAN 26 4b, page 27. Additional Personnel Report may be presented at the meeting.	

Item	Presenter
------	-----------

E. 25/FA Graduates Summary in addendum JAN 26 5, pages 28-47.

Linnea asked the board for a motion for Consent Items. Tricia Sutherland made a motion and Jeremy Ogle seconded the motion. All were in favor and the motion carried.

Erin Volk presented the Transfer Outcomes Report. Erin introduced Sima Dabir. Erin talked about how this report incorporates our mission. Sima talked about the many articulation agreements that we are working on to help increase the number of transfer students in Social Work and Criminal Justice. Also want to look outside the box and showcase more of the quality of education that WITCC has to offer and other great opportunities available at WITCC.

Darin Moeller and Carmen Wilson presented a 260E Preliminary Agreement with Barkley's Bag. This is a preliminary and they plan to go to bond in May. This program helps companies create new positions through bond sales. Erin Muck made a motion to approved and it was seconded by Jeremy Ogle. All were in favor and the motion carried.

Troy Jasman, Darin Moeller, and Christina Brandon talked about the Projects and many improvements and upgrades that have been done around campus. Darin also explained how the Equipment Purchase Team is involved in how equipment for programs for our students.

Christina Brandon and Jessica Huggenberger presented the annual Marketing Report. Jessica explained the different talked about the different marketing opportunities we've used and different messages to communicate with our students.

Tricia Sutherland reported that the Community Colleges for Iowa have not met yet. We have a meeting coming up in March.

Terry Murrell gave his President Report

1. February Board Meeting – Board Retreat – no retreat. Will schedule when we get new president
2. 29<sup>th</sup> January Meeting – Presidential Profile – 4:00 pm. Will have a virtual option.
3. Mandated Open Records training – please sign up for an open session.

Terry Murrell

Hanna asked for an update on an electronic board format for board agenda. Terry explained that we will send some information out to the board to review. Tricia Sutherland made a motion to adjourn the meeting. Hanna Reinders seconded. All were in favor and the motion carried and the meeting adjourned.

**The next regular scheduled board meeting will be Monday, February 9, 2026, at 4:00 pm on the Sioux City campus in the Boardroom.**

WESTERN IOWA TECH COMMUNITY COLLEGE  
**BOARD MEETING MINUTES**

**Date:** January 29, 2026

**Time:** 4:00 pm

**Location:** WITCC Sioux City Campus, Boardroom A507

WITCC Mission

We elevate our diverse learners and strengthen our communities through inclusive and innovative education.

Board Members

Present: Linnea Fletcher, President | Tricia Sutherland, Vice President | Justin Daale | Hanna Reinders | Mary Parker | Jeremy Ogle | Russell Wray

Absent: Brad Griffin and Erin Muck

**Brenda Wright, Board Secretary**

Administration:

Troy Jasman, VP of Finance and Administrative Services

Presenters:

Sandy Caldwell, ACCT Consultant

---

**Item**

Meeting was called to order at 4:00 pm by Linnea Fletcher.

Brenda Wright took a roll call of Directors.

Sandy Caldwell reviewed the activities this week to create this draft of the Presidential Profile to be posted with the Presidential Search. After reviewing and made edits to the Profile, Jeremy Ogle made a motion to approve the Profile with edits. Hanna Reinders seconded the motion. All were in favor and the motion carried.

**FROM:** Troy A. Jasman, Vice President of Finance  
and Administrative Services/CFO 

**DATE:** February 4, 2026

**RE:** **JANUARY 2026 FINANCIAL HIGHLIGHTS**

### Executive Summary

General Fund revenues totaled \$9.9 million for the month of January and reflect the spring semester enrollment. Year to date revenues at \$29.2 million were \$59K or 0.2% higher than the prior year after seven months. Year to date revenues at 73% of the annual budget are lower than the previous year as a percentage of budget and slightly higher in actual dollars after seven months (58% of the year). The change in revenue is mainly attributable to the decline in enrollment offset with the new tuition and fee rate as well as the increase in State General Aid. General Fund expenditures totaled \$3.2 million for the month are \$23.0 million year to date, which is 57% of the annual budget. As a result, the College financial position continues to lag that of the previous year with a decrease in the fund balance change from the prior year of \$1.1 million.

Restricted Fund activity for the month of January was routine. The increase in revenue of \$1.3 million is due to additional Local Support, State Support, Federal Support and New Jobs Training Program revenue. Expenditures for the month reflect the expenditures related to the various grant programs.

The Plant Fund activity for the month of January included inter-fund transfers (revenue). The technology transfer provides for the technology needs of the College as well as the laptop computer initiative with funding coming from the student technology fee. Expenditures as a whole increased \$45K mainly related to equipment, debt service for dormitory bond and facility improvement projects.

Auxiliary Enterprise operations in January include spring semester sales and services specific to the bookstores and dormitory operations. Total revenues for the month increased \$1.8 million while expenditures increased \$928K. Overall, the Auxiliary operations in January show a decrease in the fund balance change from the prior year of \$397K.

Cash receipts included tuition and fees, Pell, student loans, bookstore, and dormitory payments all related to the start of the spring semester. Cash and investments on a consolidated basis totaled \$36.2 million at January 31, 2026. The College's investment portfolio's overall yield at 3.29% was down from the 3.45% of the previous month.

DATE: February 3, 2026  
 TO: Dr. Terry Murrell, President  
 FROM: Tawnya Beermann, Dean of Students  
 Christina Brandon, Dean of Outreach & Information Technology  
 SUBJECT: 2026 Spring Enrollment Report

Spring 2026 enrollment reflects continued pressure from regional demographic shifts and workforce dynamics; however, indicators demonstrate that Western Iowa Tech Community College remains stable and is making intentional progress toward long-term sustainability.

### Overall Enrollment

Total headcount for all students declined 2.1% to 5,065, while total credit hours declined at a lesser rate of 1.1%, totaling 42,775.5. The smaller decline in credit hours indicates that enrolled students are persisting and maintaining meaningful course engagement as they progress toward completion.

### Retention and Student Success

Fall-to-Spring retention for all students reached 75.8%, the highest rate achieved to date. This sustained retention has contributed to WITCC's 50% graduation rate, also the highest in the College's history. College Student Fall-to-Spring retention increased to 87%, reflecting College-wide efforts focused on proactive advising, early alert outreach, re-enrollment strategies, technology enhanced learning environments, targeted and frequent student communications and initiatives designed to reduce financial and academic barriers.

These outcomes are supported by coordinated retention initiatives, including expanded virtual engagement and academic supports, technology-enabled student engagement, and targeted communication campaigns. The near-even distribution of **full-time (50.2%)** and **part-time (49.8%)** students further highlights WITCC's ability to support learners with varying enrollment intensities.

### College Student Enrollment

College Student headcount totaled 2,412, a 5% decrease compared to last Spring. Total credit hours declined 3.8%, while average student course load increased slightly, indicating stronger engagement among enrolled students. New College Student enrollment declined in alignment with statewide and national trends, including rural outmigration and a labor market in which job availability continues to exceed workforce supply.

### Program and Modality Shifts

Arts & Sciences enrollment declined 11.5%, consistent with a continued shift toward short-term credentials in high-demand Career and Technical Education (CTE) fields supported by Iowa's Free Tuition initiatives. Additionally, WITCC's ongoing efforts to curb enrollment of "ghost students" in fully online Arts & Sciences courses have contributed to lower headcounts in this area.

Online instruction continues to be a critical access point for students. Online credit hours increased 3.2%, and online coursework now represents approximately 51% of total institutional credit hours, reinforcing the importance of continued investment in instructional technology and virtual student services to meet learners where they are.

### Concurrent Enrollment Growth

Concurrent enrollment remains a significant area of strength. Spring 2026 Concurrent Student headcount totaled 2,653, with total credit hours increasing 3.7% to 16,412.5. The average concurrent student credit load was **6.2 credits**, indicating increased engagement among concurrently enrolled students.

Expanded Career Academy offerings—particularly in Welding and Agriculture—drove substantial growth, with 465 newly enrolled concurrent students, up from 24 last Spring. CTE concurrent enrollments increased 11.0%, and face-to-face enrollments grew 8.2%.

### Outlook

While overall enrollment remains below desired levels, Spring 2026 data indicate that WITCC continues to move in a positive and intentional direction. Continued gains in retention, growth in online credit hours, and expanded concurrent enrollment opportunities—particularly within high-demand CTE pathways—demonstrate the College's ability to adapt to demographic and economic challenges while remaining responsive to community and workforce needs. These trends reinforce WITCC's role as a relevant, resilient, and community-responsive institution positioned for long-term sustainability.

## 2026 Spring Credit Enrollment

TO: Dr. Terry Murrell, President

FROM: Erin Volk, Vice President of Learning

DATE: February 1, 2026

SUBJECT: WITCC Student Outcomes with National Comparisons

Western Iowa Tech Community College (WITCC) typically views student outcomes through three lenses: (1) year-to-year growth and progress within the College, (2) comparison and ranking among community colleges in Iowa, and (3) benchmarking against national peers. To gain national perspective, the College uses data reported to the Integrated Postsecondary Education Data System (IPEDS) by all institutions receiving federal financial aid. The figures below highlight several WITCC student outcomes compared to a national peer group comprised of 26 community colleges.

Figure 1: Retention rates of full-and part-time, first-time degree seeking students (2023 cohort)

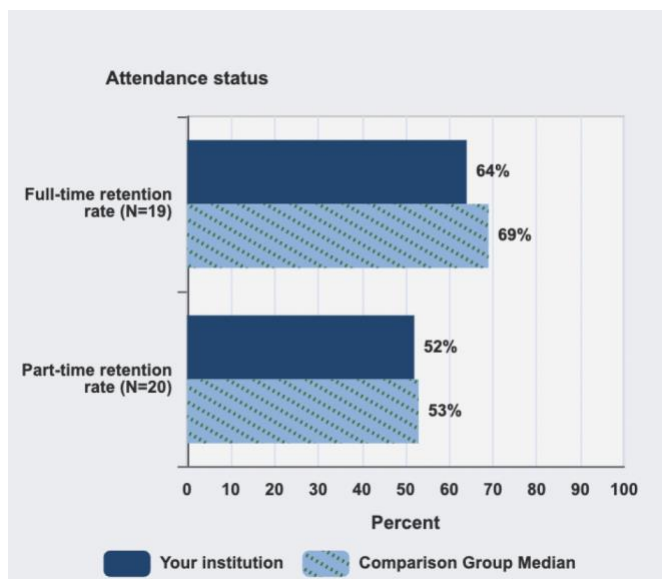

Figure 2: Graduation and transfer-out rates of first-time, full-time degree seekers (2021 cohort)

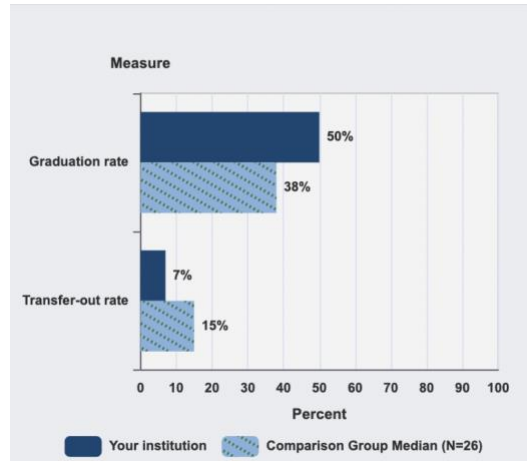

Figure 3: Graduation rates of first-time, full-time degree seekers by race/ethnicity (2021 cohort)

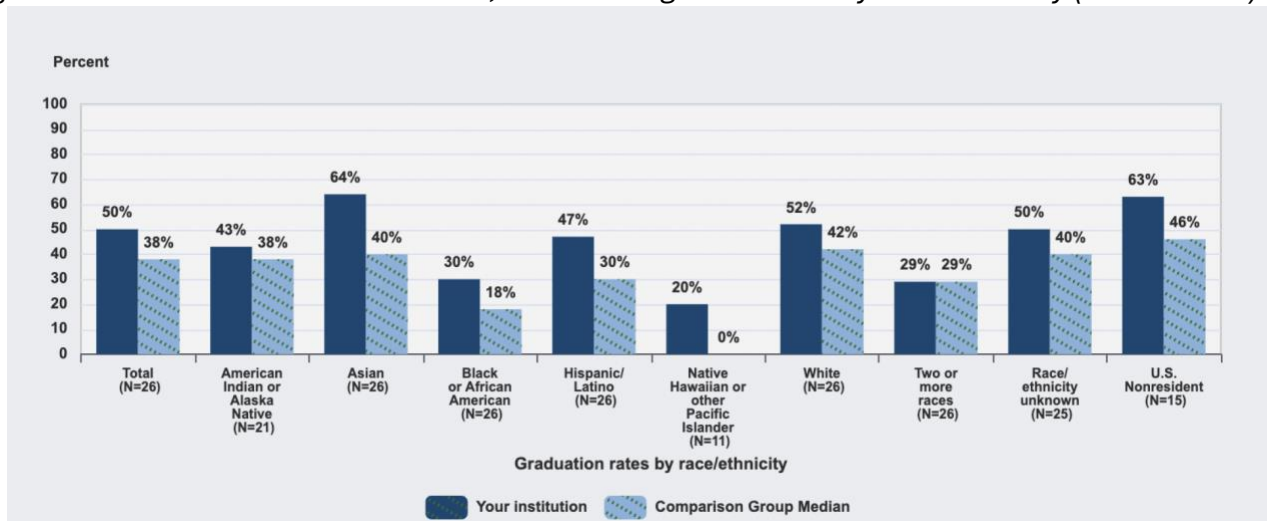

Figure 4: Count of credentials by award type (2023-2024)

Date: February 2, 2026

 RE: **Department of Opportunity and Engagement Annual Report**

### April 2025 – January 2026

At the heart of the Department of Opportunity and Engagement is the College's mission:

*"We elevate our diverse learners and strengthen our communities through inclusive and innovative education."*

The Department, comprised of nine areas, have driven comprehensive campus engagement and forward-thinking initiatives that foster learning, opportunity and community connection. This report highlights accomplishments throughout this past year rooted in internal operations, student services, external partnerships and professional development.

#### **Internal Accomplishments and Milestones:**

A snapshot of accomplishments and milestones within the campus community.

#### Programmatic & Operational Milestones

- **Adult Basic Education:** The Adult Basic Education (ABE) department, comprised of our High School Equivalency and English Language Learners programs, received a "low risk" program assessment for the 07/01/2024 – 06/30/2025 year. All goals for enrollment, post-testing and measurable skill gains were met. ABE was awarded an additional \$54,000 from the state in November 2025, directly benefiting the educational experience of our students. ABE is also increasing outreach efforts in Cherokee, Ida and Monona counties.
- **English Language Learners:** We continue to offer courses at all three campuses as well as in Le Mars and at Iowa Workforce Development (IWD). IWD experienced a 650% growth in student enrollment. One student made a 15-point gain! Due to federal changes to the Personal Responsibility and Work Opportunity

Reconciliation Act (PRWORA) of 1996, 53 students were lost and a growing number of community members are ineligible to begin the program. We are actively assessing private pay options for impacted learners. A local employer asked the college to create an on-site English language learning class which is scheduled to begin in January 2026. This was a collaborative effort between Pamela Woolridge, Corporate College, and the local employer.

- **KWIT:** Siouxland Public Media had an unprecedented year in both trials and triumphs. Despite the setback caused by the loss of CBP funding, KWIT had its most successful fund drive in station history in October 2025.
- **Project Success:** Ben Mohning, Director of 4+ Programming, has been meeting with area high schools to discuss the benefits of Project SUCCESS. Project SUCCESS has already seen an increase in enrollment following these efforts, including first time enrollees from our service area.
- **PROPIO Launch:** The College serves visitors, students, and staff with various levels of English language proficiency. To increase more meaningful access, we have contracted with PROPIO to provide on demand interpretation and translation services, including American Sign Language. This was a cross departmental collaboration with Title III, Information Technology, and Admissions.
- **Title IX:** Title IX: Students has been led by Ben Mohning since the Summer of 2025. Ben has formed a team of employee volunteers who will serve as investigators, hearing panel members, and trained advisors. Volunteers have received critical Title IX training and will continue to receive training throughout the calendar year. Ben has also developed a comprehensive procedure handbook, designed and implemented an athletics interest survey, collaborated with other departments to improve reporting and communication, and presented an all-staff professional development session.
- **TRIO Advocacy:** KWIT, Internal Communications, Marketing, Government Relations, faculty, alumni and current students gathered throughout the year to share the impact TRIO Upward Bound, Talent Search and Student Support Services have had on their lives. Both Denison and Sioux City campuses met with Congressional staffers to provide firsthand impact statements and data on how TRIO has enriched each staffers respective service areas.

## Events and Engagements

- **American Red Cross “International Humanitarian Law: Understanding Humanity in War”:** The American Red Cross partnered with the College to present on the challenges of war, ethics, and humanity both in the Spring and Fall semester. Both presentations were taught by American Red Cross volunteers that are decorated in combat service as well as trained attorneys. Both presentations had robust turnouts with faculty, staff, administration, Lifelong learners, students and public attending.
- **Fall Festival:** In October 2025, Mike led a collaborative effort to bring forth the College’s first Fall Festival. The event provided fresh squeezed lemonade, sugar cookie decorating, multiple bounce houses for little and big (adult) kids alike, trunk or treat, and a haunted house set up in the Rocklin. The event attracted 250+ campus and local community members and will become an annual fall event.
- **Iowa Law Enforcement Academy Guest Lecturing:** Since 2021, the Iowa Law Enforcement Academy has had State Instructor Naimah Saadiq lecture and conduct certain test outs for our police science students. State Instructor Saadiq was introduced to Western Iowa Tech Community College in February 2021. Saadiq was a panelist on an event cultivated by this department and the City of Sioux City discussing community policing. This strong partnership has provided police science students with increased understanding of community issues, knowledge of various law enforcement careers, and critical access to mentorship opportunities.
- **Special Services Fair:** Developed by Ben Mohning, Director of 4+ Programming, this job fair style event connects community members with special needs and service providers. Since its inception in 2024, the Special Services Fair has grown in participating providers and inspired neighboring towns to provide similar events to which Ben has been invited. Last year, the event was held on March 27, 2025, where 40+ folks with special needs made critical provider connections.
- **Voices of Migration:** A dynamic, collaborative, and well-attended campus-wide event highlighting various aspects of immigration, specifically to obtaining U.S. Citizenship. The event began with a performance of the play “The Courtroom” which reenacts a real woman’s experience with deportation proceedings. Following the performance, a panel discussion was held where College employees shared their journeys to becoming citizens of the United States.

## Leadership & Development Initiatives

- **Comet CLASS:** Under the direction of Jennifer McCune, Comet CLASS has set new records of students enrolled, per semester, since its inception in 2023. For Fall 2025, Comet CLASS had 18 members, officially moved into the Center for Inclusive Excellence, and created a “leadership menu” of various projects, directly informed by previous student listening sessions and surveys. Comet CLASS also launched a leadership series open to all students, based around the Broadway show *Hadestown*. Through curated activities, participating students focused on building meaningful connections, developing leadership and advocacy skills, engage in community service and provide a cultural opportunity through artistic performance. Participating students culminated their semester of intentional leadership development with a reflection dinner and attending *Hadestown* at the local Orpheum, where they enjoyed WIT inspired beverages and met the cast and production crew.
- **LIFE Bridge Program:** As a Comprehensive Transition Postsecondary (CTP) program, Leading Individuals toward Fulfilling Employment (LIFE) Bridge program affords students with intellectual and developmental disabilities the opportunity to experience college while building independence needed for meaningful, fulfilling employment. Under Ben Mohning's direction, LIFE Bridge students will be immersed into the college community, having the same opportunities to learn and engage as any student. This inclusive approach fosters cross-department collaboration, strengthens resource sharing, and builds meaningful partnerships. LIFE Bridge is a powerful reflection of the College's mission to elevate diverse learners and strengthen our communities through inclusive and innovative education by supporting students with the greatest need for skills development and providing school districts across the country more options to offer their graduates with intellectual and developmental disabilities.
- **Student Activities:** New to the Department of Opportunity and Engagement is Mike Craig, Student Activities Coordinator. Mike Craig, or more affectionately known by students as “Comet Craig,” has worked diligently to provide students engaging and enriching activities in a changing social landscape. Strengthening cross department collaborations, Mike has teamed up with the Library to provide “Crafternoon” events that have served more than 350 students in the library, quickly becoming a beloved student activity offering. Mike has also made a

concerted effort to ensure our English Language Learners also feel included in program offerings. Since moving to the Center for Inclusive Excellence, the collaboration and resource sharing between Comet CLASS and Student Activities has flourished, resulting in more student activity offerings and growth in overall student engagement.

### **External Collaborations & Community Engagement:**

A snapshot of accomplishments and milestones with external community partners, in the spirit of "*strengthening our communities.*"

#### Community Engagement:

- **Innovation Center:** The Innovation Center will be a state-of-the-art building in downtown Sioux City, dedicated to bringing people together to advance ideas and propel innovation through increased services such as: mentorship, business support, networking, educational opportunities and access to equipment. This is a collaborative undertaking between the City of Sioux City, Western Iowa Tech Community College, Siouxland Public Media and Iowa's West Coast Initiative. Mark Munger, Director of KWIT and Revathi Vongsiprasom, Dean of Opportunity and Engagement, serve on the core group of folks guiding this project alongside Renae Billings, Michelle Bostinelos, Alex Watters, and Anastasia Williams. Linnea Fletcher, Board and Terry Murrell serve on the Board of Directors with voting membership.
- **Border Perspective Trip:** In March 2025, Revathi Vongsiprasom took three TRIO – SSS Students on a career exploration trip to McAllen, Texas. All three students were taking an Immigration Law 101 class, led by Revathi. The project provided firsthand career experience in conducting intakes with persons in need of legal assistance and providing community education to broader communities in McAllen and surrounding towns. Students engaged in servant leadership by volunteering at an array of community agencies, experiencing a wide eco-system of community driven and led supports to help individuals of various immigration statuses, including those with permanent residency and citizenship in the United States. The trip also included meeting with Customs and Border Patrol and visiting the fence between the US and Mexico border.

- **Iowa Jobs for America's Graduates (iJAG):** The College is excited to partner with iJAG and bring their presence back to the Siouxland area. Under the direction of Dr. Christian Supiot, this program will work across multiple departments to ensure retention and career guidance for a caseload between 70 and 90 students.

### **Conclusion**

Through active engagement with our stakeholders, intentional programming, strategic partnerships, and targeted professional development, the Department of Opportunity and Engagement continues to facilitate the college's mission and serving as our community's college.

Subject: Board Policy Revisions

The following revised Board Policies are being presented to the Western Iowa Tech Board of Directors for a first reading:

- 504.2 – Probation, Suspension, and Dismissal – wording changes
- 505.2 – Student Organizations – wording changes

**Administrative Recommendation**

These revised Board policies will be presented to the WITCC Board of Directors for a second reading and approval at a future board meeting.

WESTERN IOWA TECH COMMUNITY COLLEGE

	Series Number: 504.2
Title	Behavior and Discipline
	Probation, Suspension, and Dismissal

The President shall be responsible for establishing and administering the guidelines and standards relating to the probation, suspension, and dismissal of students.

Such guidelines and standards shall be communicated to all students and shall include provisions for due process and the protection of individual rights.

Due process will be observed in all cases of disciplinary suspension or dismissal. Copies of the due process procedure are available in the Student Affairs Office and in the WITCC Student Handbook. Students dismissed or refused readmission may appeal to the President, or board designee, in accordance with the due process procedures.

**MEMO**

To: Dr. Terry Murrell, President  
 From: Darin Moeller, Executive Dean of Instruction  
 Date: January 30, 2026  
 RE: Networking/Cyber Equipment

The Networking and Cyber Security programs have been working over the past year to develop an equipment replacement plan to upgrade programming and curriculum to meet the rapidly changing environment of network security. The planned upgrade of 80 high-end computer units and the server to support those units would serve students in both programs and provide state of the art equipment for those programs. The College's Equipment Purchase Team reviewed the requested plan and approved moving forward with the purchase pending board approval.

The College developed specifications for the equipment and then worked with High Point Networks in identifying suppliers and the best overall purchase. High Point Networks is our trusted networking partner and was instrumental in the design and implementation of our entire network system at WITCC for 15+ years. We partnered with High Point to assist in identifying the most competitive pricing for the equipment required to support our networking and cybersecurity programs. As part of this process, High Point engaged with multiple vendors and conducted pricing comparisons to ensure WITCC received the most cost-effective and appropriate equipment for our instructional needs.

Two quotes are attached with this memo. The first quote from High Point Networks is for the 80 computer system units at a cost of \$395,200. The second quote is for the server to support these units at a cost of \$12,753.

**Recommendation**

It is the administrative recommendation that the Board approve the purchase of computer systems and the server to support that equipment, from High Point Networks at a total cost of \$407,953. 3&6 cent funds would be used for the purchase.

Acceptance of the quote online is considered acceptance of an offer and, together with the terms of the Master Services Agreement provided below, and any applicable Statement of Work, which are hereby incorporated by reference, forms a legally binding contract. The customer is solely responsible for verifying the accuracy of all quotes and designs.  
 Return Policy: Product must be returned within 30 days of shipment date and will be subject to a restocking and freight fee. Product cannot be returned if opened (needs to be sealed in original packaging), written on and/or damaged; NO exceptions. HPN reserves the right to no return/refund.  
 All quotes are subject to shipping costs that may not be listed on the quote. Prices are subject to change without notice, but you will be notified as quickly as possible. Orders will be invoiced when shipped. Orders may be partially invoiced as items ship and thus there may be multiple invoices per order. Projects will be invoiced in the same method. Professional services may be progress billed over the term of the project. All licensing and subscription orders will be invoiced immediately upon customer approval. Payment for all orders are due in 30 days from invoice date. Finance charges will be charged at the rate of 1.5% per month if not paid by the due date. If payment is not received within 60 days of the invoice date, we reserve the right to suspend or terminate your service without further notice. Credit card usage as a form of payment may be accepted on a pre-approval basis and may be subject to a convenience fee. Please consult your Account Representative prior to placing an order for timely, updated pricing. This offer to sell the listed products is subject to product availability and prices are subject to change without notice due to manufacturer price changes or any error or omission.

## WITCC in the News

FEB 26 10

**S** IOUX CITY -- One of the first steps in finding a new Western Iowa Tech Community College president is identifying the qualities desired in the individual.

Determining those qualities and developing a presidential profile was the focus of three public forums held on Tuesday at the WITCC campus in Sioux City.

The college has begun the process of finding a replacement for longtime president Terry Murrell, who announced in September he would retire at the end of the school year.

Western Iowa Tech has selected Association of Community College Trustees (ACCT) to assist in the presidential search process. ACCT states they have conducted more than 750 community college searches. Sandy Caldwell, an ACCT search consultant, led the forums on Tuesday.

Caldwell said she attended a community college and said it was "transformative."

"Community colleges, technical colleges, they change generational poverty, right? They're in the life-changing, dream-building business," she said.

Caldwell said ACCT averages 30 to 40 president searches a year, but this year has a record number of searchers due to retirements. She said WITCC's president is a desirable position.

Western Iowa Tech has begun search process for new president

Community members, students, staff and faculty who attended the three forums were asked to identify challenges and opportunities Western Iowa Tech faces in the next few years, the ideal characteristics of the next president and the minimum qualifications the next president should have.

"The presidential profile, this is a really important document. We spend a lot of energy on this and a lot of time on this," Caldwell said. She said the profile allows the search committee to have a good understanding of what is good for the institution, and will guide finalist selection, interviews and final president selection.

The first question asked was what are the challenges and opportunities facing the college in the next three to five years? Attendees were asked to discuss in groups. The students were also asked what their perspective on the challenges and opportunities are.

Some of the common topics across the sessions were enrollment, the recruitment and retention of adult learners, public perception of the institution, the development of the athletics program, technology modernization, improving community engagement, funding and budget, and the changing community demographics.

Murrell

Tim Hynds, Sioux City Journal

The second question asked what the ideal characteristics that individuals are seeking in the next president. Caldwell said common topics that came up were having a leader that understands the roles and functions of a technical community college, someone who understands the dynamics that students are facing especially mental health needs, strong financial oversight with experience implementing capital projects, and someone who will be involved in the community.

FEB 26 10

The next step of the presidential search process involves the search committee meeting and discussing the presidential profile. On Wednesday, the committee will draft the presidential profile, on Thursday the WITCC board of directors will finalize and adopt it and officially open the search on Friday.

Caldwell said eight or nine individuals have already reached out and expressed interest in applying.

The search committee is made up of Linnea Fletcher, Western Iowa Tech board president; Tricia Sutherland, Western Iowa Tech board vice president; Russell Wray, Western Iowa Tech board member; Kim Buryanek, superintendent of Denison Community Schools; Chad Janzen, superintendent of Sergeant Bluff-Luton Community Schools; Barbara Sloniker, Siouxland Chamber of Commerce vice president; Curt Johnson, president of Cherokee State Bank; Troy Jasman, Western Iowa Tech vice president; Frank O'Neill, Western Iowa Tech faculty member; and Asha Loutsch, student leader at Western Iowa Tech.

The application window is expected to end March 2. Finalist interviews are set for April 8 through April 10 with the next president to be announced the week of April 27.
