Teammate Shoutouts

October Drawing Winner

Bill Fitch
Welding Instructor

"Bill is doing a fantastic job teaching Welding at the Cherokee Campus this fall. His positive attitude and ability to connect with students make a real difference. He also went above and beyond helping our Nursing Club prepare for their Fall Festival, even welding some fun Halloween-themed decorations!"

Other shoutouts:

Trisha Healy
EMS Specialist

“Trisha is the behind the scenes coordinator for our BLS, ACLS, PALS, and many other programs. Without her we would not be able to support not only our students needing BLS for their programs here on campus but also many community partners. She is a vital part of our team and appreciate her!”

Dr. Fred Scoville
Data and Assessment Analyst

“Fred and Lisa are working hard behind the scenes to ensure that programs have all the data, reports, and information they need to be successful. Their dedication and support are greatly appreciated!”

Dr. Lisa Bryan

Research/Data Specialist

“Fred and Lisa are working hard behind the scenes to ensure that programs have all the data, reports, and information they need to be successful. Their dedication and support are greatly appreciated!”

Lea Mathison

Administrative Program Coordinator - Nursing Simulation & Instructor

“Lea always seems to do all the things behind the scenes, in updating reports and going that extra mile. she always stays cheerful and positive.”

Thank you!

Thank you to everyone who submitted shoutouts, and thank you for everyone’s hard work!
